Secrets of Power Negotiating
15TH ANNIVERSARY EDITION
Inside Secrets From a Master Negotiator

Roger Dawson

Roger Dawson’s Secrets of Power Negotiating has changed the way American business thinks about negotiating. Thinking “win-win”—looking for that magical third solution in which everyone wins but nobody loses—can be a naïve and ultimately unsuccessful approach in today’s tough business environment. Power Negotiating teaches that the way you negotiate can get you everything you want and still convince the other side that they won also.

This third edition has been completely revised and updated to reflect the changing dynamics of business today. New and expanded sections include:

- Twenty sure-fire negotiating gambits.
- How to negotiate over the telephone, by e-mail, and via instant messaging.
- How to read body language.
- Listening to hidden meanings in conversation.
- Dealing with people from other cultures.
- How to become an expert mediator.

Secrets of Power Negotiating covers every aspect of the negotiating process with practical, proven advice, from beginning steps to critical final moves: how to recognize unethical tactics, key principles of the Power Negotiating strategy, why money is not as important as everyone thinks, negotiating pressure points, understanding the other party and gaining the upper hand, and analyses of different negotiating styles.

Leading Under Pressure
Strategies to Avoid Burnout, Increase Energy, and Improve Your Well-being

Gabriela Corá, MD, MBA

“Leading Under Pressure is a must read for any executives seeking a way to reach that high-level of energy and vigor required by the intense corporate leader.”
—Luis Ortega, owner, Security Arms International

“Dr. Gabriela Corá depicts and addresses the most important challenges that executives and corporate professionals face.... This book is essential for everyone interested in the topic of health and well-being.”
—Pedro Ruiz, MD, past president, American Psychiatric Association

According to the National Institute for Occupational Safety and Health, stress-related disorders are fast becoming the most prevalent reason for worker disability.

Millions of CEOs, executives, entrepreneurs, and professionals are thinking, planning, and scheming about how to stretch a 24-hour day into an endless and productive workday. Burnt-out, energy-depleted, and constantly stressed, many find themselves unable to take pleasure in their hard-earned position.

Leading Under Pressure summarizes the many challenges such professionals face. In it, you will discover:

◆ Lessons learned from corporate and entrepreneurial CEOs.
◆ Ways to avoid burnout.
◆ Proven ways to integrate individual health with organizational health.
◆ Effective strategies to maximize your peak performance and productivity while also maximizing your health and well-being.

Dr. Gabriela Corá works with people and organizations that want to remain healthy as they become wealthy. A renaissance woman, she’s a wellness doctor and coach to executives and entrepreneurs.

Dr. Corá is a medical doctor with a master’s in business administration, a keynote speaker, a board-certified psychiatrist, a spouse, and a mother of two young adults. She has been interviewed by CNN, FOX, NBC, Lifetime television, the New York Times, Forbes, and Business Week. Dr. Corá is president of the Executive Health & Wealth Institute, managing partner of the Florida Neuroscience Center, chapter chair for the Women Presidents’ Organization, and director of the American Psychiatric Foundation. She lives in Miami with her family and their border collies. Her website is www.DrGabyCora.com.

Hired!
How to Use Sales Techniques to Sell Yourself On Interviews

Elinor Stutz

“As Chairman of the largest small business trade organization in the world and a best-selling author, coaching such superstars as Tony Robbins, Jack Canfield, Les Brown and more, all of us are recommending Hired! to everyone we [know]. [This] is the most important career read this decade.”
—Berny Dohrman, chairman, CEO Space

In today’s tough economy, most people are too desperate to get any job, rather than seeking one that will provide the career satisfaction and growth they deserve. Worse, they treat the interview as an opportunity to focus on themselves.

In Hired!, Elinor Stutz asserts, “The interview is not about you, it’s about how well you will solve the company’s problems. This is the only way you will get a job you actually enjoy!”

This book is a must-read if you want to learn how to:
- Achieve the right mindset for successful interviewing
- Conduct specific research prior to the interview
- The leadership skills required for advancing a two-way interview
- Specific questions you must ask on the interview
- Strategies for negotiation
- Steer conversation to learn what the company is seeking.
- Most importantly, selling strategies designed to get you Hired!

Homework Helpers: Essays & Term Papers

Michelle McLean

The newest addition to our best-selling Homework Helpers series is a fun, user-friendly guide that takes the confusion out of writing essays and papers for students of all ages. Unlike other books that are so full of technical jargon that they confuse more than help, Homework Helpers: Essays and Term Papers uses straightforward language and simple steps to guide students through the essay-writing process.

Homework Helpers: Essays and Term Papers:

◆ Describes in detailed “plain English” each element and step involved in writing a dozen different types of essays.

◆ Includes a rough, edited, and final draft sample of each type of essay discussed.

◆ Explains the necessity of proofreading and citing sources, providing tips and instruction on how to accomplish these tasks.

◆ Presents step-by-step instructions on how to write a great SAT essay.

◆ Discusses what students can expect when they reach college-level courses.

Students of all ages can find help in writing essays for every major subject in high school or college. Neophytes will find guidance on the basics, while those further along in their educational career can adapt the detailed instructions for more in-depth assignments.

Michelle McLean is a freelance writer and the chief editorial consultant for PixelMags, LLC, a company that digitizes magazines and other literature for use on the iPhone, iPad, and iPod Touch. She earned a bachelor of science degree in history from Weber State University and a master of arts degree with distinction in English from National University. She maintains a blog, Michelle McLean’s Writer Ramblings, which appeals to students and writers of various ages, backgrounds, and educational levels who desire to fully understand their assignments. She spends her time writing and teaching beginning writers the ropes. Ms. McLean resides in Muncy, Pennsylvania, with her husband and two children.
